

# NETHALA SUPRIYA

 supriya603 |  supriya603 |  myportfolio |  nethalasupriya84@gmail.com |  +9014547306

## SUMMARY

---

This CV can also be automatically compiled and published using GitHub Actions. For details, [click here](#).

## INTERNSHIP

---

### nirman.org

Jan 2026 - mar 2026

Intern at Nirman.org, gaining hands-on experience in Java, Manual Testing, and Web Development. Worked with HTML and CSS to build web projects and created a personal portfolio website to showcase technical skills and practical learning.

## PROJECTS

---

### Mini Project

[Link to Demo](#)

Detection of Wastewater Pollution using AI and NLG Developed a low-cost, AI-based system to detect and classify wastewater pollutants using sensor data. Implemented machine learning and deep learning models to analyze water quality parameters and generate natural language reports for easy understanding.

### Real-time Project

[Link to Demo](#)

This project analyzes people's opinions and emotions during the COVID-19 lockdown in India using sentiment analysis. We collected text data (such as social media posts or public opinions) and used Python to classify them as positive, negative, neutral.

## EDUCATION
